Spring Harding Control of the Contro

Saturday, MARCH 30, 2013
1:00 PM at the ranch, Madill, Oklahoma

Welcome to the 17th Spring Edition Sale.

We here at Buck Cattle Company welcome you to our annual Spring Edition Sale. This sale is a challenge for us to prepare for. Just like many of you we kick the year off with a trip to Denver, and after that it is wide open around here with shows every weekend. Then we start calving, and getting these sale calves ready. But fortunately, we are busy doing what we love.

The 2012-2013 show season has been incredible for Buck Cattle Co. I am not bragging but we have had a great run and we are excited for our customers. I can tell you, I do realize that success in the ring would not happen without great breeders, dedicated exhibitors, and talented help. We try to play as a team here and I am fortunate to be able to travel with them.

This is a special offering of females, whether you are searching for a great show prospect or an elite donor prospect, I think it will be easy to find one. This sale features our top cut of fall heifer calves and several from our customers' programs. As you look through the catalog take notice of the number of females that their dams were purchased through our past sales.

Our Maine-Anjou females are as good or better than ever, but we are really loaded with quality in the Herefords, Maine Tainers, Charolais, and Crossbred females. These cattle were built from the ground up and they are good!!

We are enormous believers in the junior program and it is a key element to our operation. We are here to assist you whether you are a first year showman or you're a veteran showman. So, when it comes to assistance be it in selection, fitting, feeding, breeding, or marketing decisions please feel free to contact us. We market as many or more show heifers each year as anyone in the country and we do sell some pretty high, but there are great buys in every sale. For example, the Champion female at the 2012 Chianina Junior National show sold in this sale last year for \$6,400 and the 2013 Denver Champion sold for \$5250. Pay attention, if we didn't think they had great potential they wouldn't be in this sale. We want our cattle to go to good homes and we want you on our team!

We will be selling our top 25 Spring Bulls online April 9th and we will have 40 bulls available at private treaty. The bulls will be available for viewing on sale day

We are truly blessed to have four of the best men to get it done, Matt Scasta, Ray Unwin, Davey Young and Todd Herman. They go the extra mile and I could not do it without them. I would also like to thank our partners and customers for all the work you have put into producing these great cattle. I know it's not easy or cheap to produce cattle of this quality and have them ready to sell at this age. We appreciate your business, however, we value your friendship the most.

We look forward to seeing you on sale day. If we can be of any assistance, please feel free to contact our staff or me anytime. We sell several cattle at each sale to sight unseen buyers. Please contact us prior to the sale for more information and the sale can be viewed at www.dvauction.com. Watch for current sale updates and information on our blog at www.buckcattle.com or on our Facebook page. We look forward to working with you.

Come early, look at the sale offering, and join us for a complimentary lunch provided by EMCO and Martindale Feeds.

Thank you, *Jirl Buck*

BK UNLIMITED POWER 472
BCB TIME WILL TELL 7000

DMCC LIMITED EDITION 4F PANNELL MISS 4072 BK REMEDY 346R EUCHEE CREEK RASCAL 27R

- When we think about which female should lead off this sale offering, this one is an easy choice. Zesty ties so many things together that we breed for; soundness, balance, look, power, and proven genetics.
- She is sired by BK Unlimited Power which has been a dominating sire in the show ring and sires females that not only can win but can also produce.
- Her dam was purchased in our 2011 Fall Premier Sale by 4JR Ranches. BCB Time Will Tell was one of Bailey's former show heifers and she still has the look today.
- This great individual is sleek necked, bold ribbed, and sound.

Dam, DJC Rachel

• Zimmer is sure to be a favorite on sale day. She is big boned, stout hipped, great ribbed, with a great look.

• We have sold several full siblings to her and they have done great in the show ring. Her full sisters were Champions in Fort Worth, Oklahoma Youth Expo, and Reserve in

Houston. She is also a maternal sister to BK Top

 Her dam, Roxbury, has proven she can and will produce the great ones. The Roxbury daughters are now filling her shoes and they are producers too.

• This female can prevail in the show ring and make an elite donor at the end of that show career.

VITA-ERW

WITH THE AMAFERM ADVANTAGE

More Calves.

"We have great conception rates and breed back with Concept-Aid. Our breeding window is short. We have to make sure our entire cowherd is ready for the season. Simply put, Concept-Aid gives us higher quality egg production and higher overall conception rates, whether it be through AI or embryo transfer."

Rob & Kelly Postin,
 RSE Farms, GA

More Wins.

"Sure Champ helps make a good feed better. It has kept our cattle on feed no matter the season of the year, and it's an easy product to get cattle started on because of its palatability and freshness. Certainly, one of the most consistent products we use."

- Todd Herman, Buck Cattle Co., OK

More Appetite.

"During my 10-year show career, I have never had a heifer go off feed during the feeding period or while at the show when feeding Sure Champ and Vita Charge. I use the Vita Charge powder as a supplement two weeks before the show in addition to Sure Champ, and the Vita Charge paste prior to departure and anytime at the show when I feel they need a little boost. We notice a improvement in hair quality and growth, our cattle have more energy and they utilize their feed more efficiently."

> - Thomas Glascock, Timber Creek Ranch, TX
