Welcome to our 16th Spring Edition Sale.

I welcome you to the 2012 Spring Edition Sale. We, like many of you, experienced the worst drought in years and the feed prices were through the roof, however, it has started raining, we are seeing hints of green, and cattle prices are at an all time high. So we are ready for 2012!

We are really excited about this offering of females. The quality is deep, the pedigrees are better than ever and they are right for the times. Like always, this sale will feature our top end group of fall born heifers as well as the top picks from many of our customer's herds. Our 2012 show season has started off with a bang and now we need your help to keep it rolling.

The Maines and crossbreds in this offering are truly as good as we have ever offered. We are also excited about this elite set of Hereford females. They are sired by the leading bulls in the breed and out of some great females.

We have decided to not sell any bulls in the auction this year. We will be selling our top 25 Spring Bulls online April 3rd and we will have 40 bulls available at private treaty. The bulls will be available for viewing on sale day.

The junior heifer program is a HUGE part of our business and we look forward to working with you and your family. Our cattle have proven they have the ability to compete at every level of competition but they must go to good homes. If we can be of any assistance to you whether it is in selection, feeding, breeding, or marketing decisions please feel free to contact us. We want you to be a part of our team!

Our Spring Sale is a tough one for us to get ready for. We are busy with shows in January and February, then it's calving season combined with trying to wean, halter break, and picture sale cattle. I am so blessed to have three of the best men to get it done; Matt Scasta, Ray Unwin, and Davey Young. They go the extra mile and I could not do it without them. I would also like to thank our partners and customers for all the work you have put into producing these great cattle. I know it's not easy or cheap to produce cattle of this quality and have them ready to sell at this age. We appreciate your business; however, we value your friendship the most.

We look forward to seeing you on sale day. If we can be of any assistance, please feel free to contact myself or our staff anytime. We sell several cattle at each sale to sight unseen buyers. Please contact us prior to the sale for more information and the sale can be viewed at www.drivelivebid.com. Watch for current sale updates and information on our blog at www.buckcattle.com. We look forward to working with you.

Come early, look at the sale offering, and join us for a complimentary lunch provided by EMCO and Martindale Feeds.

Thank you,
Jirl Buck

- Selling 200 Units of BK Unlimited Power 472U semen
- Owned with Moore Cattle Company.

Unlimited Power has proven his ability to produce the elite! His sire DMCC Limited Edition is one of the Maine-Anjou breeds greatest sires producing superior herd sires and females that win in the show ring and produce. Unlimited Power's dam will go down in the history books as one of the best and most influential cows in our industry. 4072 produced Ice Pick (sire to Irish Whiskey), Power Plus, Navajo, Intense Plus, Powerhouse, and Unlimited Power. Her daughters have won in the show ring and are now cornerstone donors in leading herds across the country.

To date all the Unlimited Power offspring have been solid black with birth weights from 80 to 88 pounds. His first daughters are calving this spring and they are milking great.

Unlimited Power's first calf crop was born in 2010. In two years he has sired several offspring which have sold from \$10,000 to \$50,000. His daughters have claimed Reserve Champion Maine-Anjou at the National Western in Denver, Champion Junior Maine-Anjou in Fort Worth, Champion Maine-Anjou and Champion Chianina at the Oklahoma Youth Expo, National Champion Maine-Anjou Female in Fort Worth, and most recently, the Supreme Champion Female Over-All Breeds San Antonio.

We have taken Unlimited Power semen off the open market and will only be offered in our monthly on-line auctions. We will be selling 200 units in our April 3rd sale - this is the largest amount we have ever offered at one time. Just in time for spring breeding!
