WHERE CHAMPIONS ARE A TRADITION

# BUCK CATTLE COfall premier

Saturday October 14, 2023 | Madill, Oklahoma

Welcome to the 29th annual Fall Premier Sale,

The cattle business is currently experiencing some very exciting times with strong markets and low inventories, and we look forward to it staying good for a while. We had a great spring here in southern Oklahoma, however in

July the weather made a drastic change. The rain shut off and the 100 degree temperatures began just in time for weaning these sale heifers. These girls have survived brutal heat and have handled it very well. It was rough on the crew, but we made it work and took pictures in 100-to-109-degree heat. The heat has recently broke, and I can't wait for you to see these cattle sale day!

It's very humbling to think we have been having this sale for 29 years. It was our goal 30 plus years ago to someday have a live auction. We have strived every year to offer you the very best stock possible. Fortunately, we have a long list of success stories from the cattle purchased in our sales, whether it's the banners they won or the money and champions they have produced. Our family is truly blessed to do what we love and to be in a business that is based on great families, and long-term friendships. Many of our customers are second and third generation, and that is extremely special

This offering is loaded with quality, and we are anxious for you to see them in person. Not only have we aimed to make them better each year, but our customers are also working just as hard, and it shows. I have no doubt this offering will be highly successful both in the show ring and in production. The quality is here, and they are backed by the best genetics in the business, buy with confidence.

We have built this program with customer service, and we look forward to working with each of you. Our crew is incredible, and they go the extra step to get it all done. We want to say a special thank you to Matt Scasta, Davey Young, Matt (Eddie) Loggains, Mike Bagley, Ethan Moore, Bob, and Blakelee Hayes. It takes an army to get it all done, and when the weather is tough it even makes it harder, but this crew always accepts the challenge and makes it happen.

Study this catalog, watch the videos, and come take a look, the good ones are here. We welcome you to contact us with any questions or if you need assistance. Come join the Buck Cattle Co. team, enjoy your show career, and take your breeding program to the next level.

Don't forget our judging contest Saturday morning with registration starting at 8:30. There will be 4H/FFA, Junior College, and Sr College divisions. We will not be taking reasons, questions only. Lunch will be provided and there will be some awesome awards presented prior to the sale. Thanks to Anipro/Xtraformance Feeds for generously sponsoring our contest.

We certainly hope you can be with us sale day, if not the sale can be viewed live online at CCi.live at 1:00 pm. Don't miss the meal served prior to the sale sponsored by Martindale Feeds.

Thank you,

- Lot 70 has been one of our favorites from day one when the ET calves arrived. She is great looking with balance, power, and huge bodied. She's major league!
- Lot 71 is a cocky built female that has quality throughout. Neat necked, big top, square hipped, with added style and balance.
- Lot 72 is a big, stout, powerful one. She has a massive hip, is stout boned, great bodied, and sound structured. She is an easy doing female that can beat them all with proper management. She is a premier donor in the making!
- The Profit has worked so well for us especially on Kool Aid and her daughters.
- Distinctive Points is still one of our favorite females we have ever sold and she has a
  proven track record of producing champions. She produced the Champion Polled
  Female, Reserve Champion Junior Female, and Reserve Champion Polled Bull at the
  2023 Cattlemen's Congress, along with the Champion and Reserve Polled Females at
